ARTISTS' OILS

Developed in 1887 for Cézanne and the Impressionists, Sennelier Artists' Oils have been the standard of excellence for over 125 years. Triple-milled pigments for exceptional intensity. Their reformulated consistency retains its unique creaminess while providing heavier body for greater versatility and ease of blending. The pure safflower oil creates an unsurpassed resistance to yellowing, and the unique non-glossy "French Finish" satin sheen guarantees the paint's lasting quality. With a palette of 144 colors, the Artists' Oils reflect both contemporary style and traditional design with their one of kind colors.
