PRECISION BRUSHES

Long Handle
MSRP \$10.15-\$54.95

Short Handle
MSRP \$10.65-\$19.95

New from Raphael is Precision, a full range of synthetic brushes that look and feel like natural hair sable brushes. Precision has been designed to create the most accurate brush strokes of any synthetic brush on the market. These brushes hold media well yet have a snap to the hairs that helps retain the shape of the brush from stroke to stroke. Precision short handled brushes come in a range of 24 brushes in 5 styles and are excellent for use with watercolors, inks, gouache, and acrylic. The long handled brushes come in a range of 48 brushes in 6 styles and are perfect for use with both acrylic and oils.

Raphaël
A stroke of genius

25%
Extra Discount

The Textura brush collection is especially aimed at artists who paint using impasto techniques and want to create relief effects using thick acrylics and structure gels. The brushes are made using very strong, short, rigid synthetic fibers and offer an excellent response to thick paints and mediums.

PURE RED SABLE OIL & ACRYLIC BRUSHES

Raphaël
A stroke of genius

Pure red sable oil brushes are excellent for precision work and for applying smooth brush strokes. Red sable offers the spring, sharp point and edge similar to Kolinsky sable but at a fraction of the cost. These are made from 100% pure red sable without any substitute hairs as found in many other sable brushes.

Series 25-8795 - Fan

Series 25-8792- Filbert

Series 25-879 - Flat

Series 25-869 - Round

The Kaerell's synthetic filament tapers to a sharp point, replicating a natural fine hair-like sable. Like a sable style brush, the brush stroke is soft and smooth, and the lines and edges are very precise. Kaerell's superior quality tapered hair outperforms standard synthetic hair found in common synthetic brushes. They are less expensive than natural hair brushes, and more durable and easier to clean. Ideal for fluid acrylics and most other water-based colors. An extremely versatile brush for many techniques and media.

AQUA WASH ETCHING INKS

Charbonnel's pigments are chosen for their excellent lightfastness and low acidity. The details and subtleties of an artist's work come to life with Charbonnel inks.

Made with the same pigments as the traditional Charbonnel inks, Aquawash inks clean up with soapy water rather than solvents. They can be used for all forms of intaglio, lithography, and monotype.
